The Education Season Ticket is back!

Cutting the cost of your Pilates professional development with our Education Season Ticket

One of the most important aspects that define all Body Control Pilates teachers is their commitment to ongoing education. This is what sets us and you apart from the rest of our profession. It is a major contributor to the collective reputation that we all enjoy and benefit from.

As part of our commitment to support you in this, we are pleased to once again offer Body Control Pilates teachers the opportunity to purchase an Education Season Ticket (EST). This is available to purchase for a limited period only and is a unique way of helping you save on your professional development and certification costs. **If you are a Body Control Pilates Academy member you will still receive your 'Academy discount'** (typically 10%) and can then apply your EST credits on top of this.

The EST is not only about saving money on your training, it's also a way of us saying 'thank you' for your commitment to continue to expand your knowledge and develop your teaching skills every year.

Your EST will be valid until February 2025 (see the last page for conditions with regard to usage and expiry dates) and can be used for the following online or face to face activities:

- Body Control Pilates courses
- any centrally-organised Body Control Pilates workshops
- 'teacher classes'
- assessment fees for your L2, L3, L4 or Body Control Pilates qualifications
- Master Matwork certification
- Reformer or Studio (Comprehensive/Master) certifications

Please note that:

- we only make available a limited number of Education Season Tickets, so this offer is subject to availability.
- Development Weekends, Awarding Body (Active IQ) registration fees, BCPA membership, CPR Basic Life Support, 'public group classes', and product purchases are not included.

REMEMBER

You must buy your Season Ticket before December 8th 2023!

WHEN CAN IT BE USED?

Your EST is valid for any courses and workshops after November 1st 2023. It must be used in full by **December 13th 2024** (this is the last day on which you can make bookings using your Season Ticket), but it can be applied to courses and workshops taking place up to **February 28th 2025**.

Any unused balance on your EST will automatically be cancelled during January 2025. It cannot be carried over into the following membership year and it cannot be applied to bookings already made.

HOW DOES IT WORK?

Quite simply, we put a credit on your 'Education Account' to the face value of your EST, along with an additional £100 credit for Early Bird purchases. Whenever you want to book a course, workshop or class, just call the Body Control Pilates office team who will confirm availability, debit your account and let you know the balance.

As usual, there are five levels of Education Season Ticket, each with a substantial saving on normal fee levels:

VALUE	COST	SAVING
£1,500	£1,125	25%
£1,000	£750	25%
£750	£600	20%
£500	£425	15%

This is a limited period offer – your EST must be purchased by December 8th 2023. Subject to availability.
